

ADHD & AUTISM SEMINAR

**Saturday, January 31, 2009
10:00am-12:00pm**

**“Why our children are so sick & what parents and
teachers can do about it now”**

**Janelle M. Love, MD
Functional Medicine Physician**

**Location:
University of Maryland
6865 Deerpath Rd Elkridge, MD 21075**

The prevalence of ADHD and Autism is staggering in this day and age. Ever wonder why? Genetics certainly play a role, but it is not the main trigger. There is a much more in-depth realization that every parents needs to understand in order to aid their child in a productive life. This seminar will give you the understanding of how genetics, biochemistry, immune system issues, and toxic loads are affection our children and what steps you can take to help.

Seminar Registration Fee:

\$25
